Off to Adventure Racing World Champs! Good Luck Sean!

Sean Roper, who helps us with the Emergency Services Adventure Race and from our sister company Storm Events is off to Portugal to Race in the Adventure Racing World Champs that they qualified for. A note from Sean – “Just wanted to forward along the link for the AR World Champs which we’ll be taking part in next week. We leave for Lisbon on Tuesday, but the race doesn’t start until Sunday. We then have until the Friday following to complete the 900km course – if you’d like to check our progress, I’m certain there will be a leaderboard, GPS tracker, or something along those lines posted soon to www.arwc2009.com We’re team #9 (“ATP Salomon”).”

Good luck Sean!
