

Welcome to the Team Odlo UK website.

On this website you will find information on the races we are competing in, the expeditions we are doing and how to get in touch with us.

My name is Maria Leijerstam. I'm an expeditioner and adventure racer and have competed in challenges all over the world.

This year has seen the development of a new relationship with Odlo UK as my title sponsors so I'd like to say a massive thank you to them.

In our debut appearance in May we won the Keswick Open5+ adventure race as a female pair. Must have been those Odlo Bras!

I'd also like to thank all of my other sponsors for providing me with kit, clothing and gadgets!
